You know about the Amotes?... Not? It's a secret society formed to fight against white men. When an Amote receives order to expende black ohigh that supports whites, he put on leapard costume and mask. On his fingers, he attaches from claws the hospard's and carries a stick with the end carved to make leopard pair maths. Then, Amote go kill talach ellief and leaves marks of leopard all around with his stock, And everybody believes a real loopard killed him Now me Anota.
